

Home Learning Weeks 5 & 6

Age Range: Year 1

Weekly Maths Tasks (Aim to do 1 per day)	Weekly Reading Tasks (Aim to do 1 per day)
<ul style="list-style-type: none"> ● Play on Number Balance - play levels 1, 2 and 3. Make the scales equal by ensuring that both sides total the same value. ● Choose a number between 10 and 20. How many different ways can this number be partitioned? Do bigger numbers. Do they have more ways they can be partitioned? ● Play on Hit the Button - number bonds, halves, doubles and times tables. ● Practise counting in 2s, 5s and 10s. This game could support this. ● Write the numbers 0-20 in words and digits. ● Practise your calculations – adding and subtracting and finding the missing number in a sum. ● Practise your number formation, writing digits the right way round. 	<ul style="list-style-type: none"> ● Listen to the information video about caring for the environment. Discuss with your child after. Watch - https://www.youtube.com/watch?v=V0IQ3ljjl40 ● Read a story that has a woodland in. ● Find and read a book aloud about materials. Discuss the materials you find and place them in alphabetical order. ● Place the words onto paper and read them out aloud : environment, recycle, reuse, conserve. Can you put the sound buttons on? ● Read a variety of books at home. Your child could share a book everyday. This can be reading a book aloud everyday or sharing a book with an adult. ● Listen to a story, Storytime. ● Comprehension – answer questions about the book you have read.
Weekly Phonics/Spellings Tasks (Aim to do 1 per day)	Weekly Writing Tasks (Aim to do 1 per day)
<ul style="list-style-type: none"> ● Daily phonics - practise sounds and blends from phases 2-5. ● Read and write pseudo (alien) and real words using sounds and blends from your phonics mats. ● Interactive games found on links below. ● Phonics play ● Top Marks ● Spelling ● Spelling City ● Spell the days of the week. ● Read and spell common exception words (see sheet) 	<ul style="list-style-type: none"> ● Write a thank you letter to the people who collect your rubbish and recycling. What could you include in your letter? Can you think of any questions you could ask about recycling or where the rubbish goes? ● Can you label the plants in your garden or in the house? ● Write a weather report. Can you use any adjectives? ● Write a set of clear instructions on how a rainbow is made. ● Practise your letter formation – lower case and capitals.

Learning Project - Environment

The project this week aims to provide opportunities for your child to learn more about the environment. Learning may focus on changes to different environments, the impact of humans on environments, climate change etc

Create a chart to record the weather. Label the chart with days of the week and record the weather at different points in the day. Can you write down key words and take a photograph of the sky. Does it change in the week? This link may help - <https://www.topmarks.co.uk/Interactive.aspx?cat=93> . Watch the weather report on T.V. How do they describe the weather? What do you notice about the map? Can you find Manchester on the map? Have they got symbols when they are talking about the weather?

Weather reporter: Pick a day that you would like to present as a weather reporter. Can you create

some symbols to use when you are talking about the weather? Can you talk about the weather in your local area and maybe compare to another place in the UK?

Create a weather wreath. Using different materials can your child design a weather wreath? Encourage them to think about the symbols used in your weather report.

What a load of rubbish! With your child look at the rubbish as a family you throw out. Do you help to recycle? How do you sort these into junk and into recycling? Look at the range of items and group them into different material groups. Talk to a family member about how certain groups are plastics and can also look and feel different to each other. Could you design a new way to help recycle more items? Ideas - <https://www.bbc.co.uk/bitesize/clips/z8s87hv>

Beat the clock - Can you sort items into the correct recycling and waste bins? Play - <http://www.crickweb.co.uk/environment-links.html>

Switch it off: Ask your child to take a look at all the electrical devices in their house. Are they all plugged in? Do they need to be plugged in? How could they create a poster to place around the house to help remind people to switch it off once they have finished.

Save Electricity, Recycle Paper, Conserve water. What could you include on these? Where could you place these in the house? Can you talk to your family about the posters and how you could help the planet?

Additional learning resources parents may wish to engage with

[Classroom Secrets Learning Packs](#) - These packs are split into different year groups and include activities linked to reading, writing, maths and practical ideas you can do around the home.

[Twinkl](#) - to access these resources click on the link and sign up using your own email address and creating your own password. Use the offer code UKTWINKLHELPS.

[Headteacherchat](#) - This is a blog that has links to various learning platforms. Lots of these are free to access.

Below are a list of useful websites and suggestions for home learning.

Many websites are now offering parents free subscriptions to support self-isolation, home schooling and school closures.
