

Home Learning Week 7 and 8

Year 3

Maths Tasks (Aim to do 1 per day)

- Play on [Hit the Button](#) - focus on times tables and division facts.
- Complete one purple mash task set in your 'Alerts'
- Choose your own numbers and practise addition and subtraction of three digit numbers using the column method.
- Get a piece of paper and show everything you know about Time. This could be pictures, diagrams, explanations, calculations etc. Be as creative as you can.
- Practise counting forwards and backwards from any given number in 100s
- Play on Daily 10 and keep a record of your scores
- Answer this question – *Three squirrels ate a total of 25 nuts. Each of them ate a different odd number of nuts. How many nuts did each of the squirrels eat? Find as many solutions as you can.*

Weekly Reading Tasks (Aim to do 1 per day)

- You could share a story together. This could be a chapter book where you read and discuss a chapter a day.
- Read to an adult and discuss what you have read. Encourage them to read with expression and intonation.
- An activity from the Classroom Secrets or Twinkl learning pack
Read a non-fiction text and write down some facts you have learnt from reading this piece of non-fiction text.
- Look in magazines, newspapers and books for 10 new words. Now put them into alphabetical order
- In the text you are reading, find all the words with apostrophes. Write down each word and explain why there is an apostrophe there.

Weekly Spelling Tasks (Aim to do 1 per day)

- Practise the Year 3/4 for [Common Exception](#) words.
- Practise a spelling rule on [Spelling Frame](#). Go to **Year 3 and 4**, choose a spelling rule and click **play**. Click on **spelling tiles** and choose and activity
- Choose 5 different Common Exception words and practise spelling them using forwards backwards. Write the word forwards then write the words backwards, e.g. **forwards sdrawrof**
- Complete one spelling quiz on Purple Mash in your 'Alerts' section

Weekly Writing Tasks (Aim to do 1 per day)

- Find a poem which you like, try to write another verse in the same style.
- Write a set of instructions for 'How to play a game' (this could be a traditional game or one that you have invented.)
Remember to include a list of things they will need. Also not forgetting to include headings and subheadings. Write your set of instructions, remembering to include imperative verbs. (Verbs that command you to do something e.g Roll the dice, Throw the ball etc)
- Write a letter/email/ text message to a member of your family that they have not seen this week.
- Go to <http://www.pobble365.com/> to see the picture of the day. Scroll down and try one of the activities.

Creative Tasks - to be done throughout the week

- **Acts of kindness** – Can you help the birds? Maybe you could put some food out to attract birds to your patch. Check out the RSPB website to find recommended and safe food for birds <https://www.rspb.org.uk/birds-and-wildlife/advice/how-you-can-help-birds/feeding-birds/safe-food-for-birds/> The website also has a section on bird identification - can you identify the species of bird you can see out of your window? Maybe you could teach your family.
- **Let's create** – Create a piece of artwork entitled 'Family'. This could be a drawing, a self portrait, a sculpture or collage. Could you use inspiration from another artist's style? Which materials have they chosen to use and why?

- **Time to talk** – perhaps you play a board game, Facetime a member of your family, enjoy a family indoor picnic or help to prepare a family dinner – which you can then enjoy!
- **Keep moving** - Log onto iMoves www.theimovement.com How many family members can you get involved? Don't forget to join Joe Wicks every morning at 9am.

Recommendation at least 2 hours of exercise a week.

Additional learning resources

[Classroom Secrets Learning Packs](#) - These packs are split into different year groups and include activities linked to reading, writing, maths and practical ideas you can do around the home.

[Twinkl](#) - to access these resources click on the link and sign up using your own email address and creating your own password. Use the offer code UKTWINKLHELPS.

[Headteacherchat](#) - This is a blog that has links to various learning platforms. Lots of these are free to access.

www.whiterosemaths.com – This is an online maths resource which links our schools maths curriculum.
