

Weekly Reading Tasks	Weekly Phonics Tasks
<p><b>Monday-</b> Share the book “Emma Jane’s Aeroplane” which can be found here <a href="https://safeYouTube.net/w/wgQL">https://safeYouTube.net/w/wgQL</a> Afterwards, have a chat about which places you both enjoyed visiting. Think about why you liked the look of them.</p>	<p><b>Monday-</b> this week we are focusing on the sounds; oo, ar, or and ur. Use YouTube to go on a sound hunt with Geraldine <a href="https://www.youtube.com/user/breakthruChris">https://www.youtube.com/user/breakthruChris</a> for these sounds. Ask your child to practise them; on paper, outside with chalks, in the bubbles in their bath etc. remember oo can be long, like in moon, or short, like in look.</p>
<p><b>Tuesday-</b> Which place did you like the most from yesterday’s story? Could you do some research about this place with your adult? Think about all the landmarks you would like to visit there.</p>	<p><b>Tuesday- Tuesday-</b> Create four lists each with one of the sound headings were learning; oo, ar, or and ur. Go on a sound hunt around your house, can you find anything with these sounds. Do they know any other words with these sounds; they could add them to their list.</p>
<p><b>Wednesday-</b> Have a look through your stories at home, what sort of places are in your stories? Can you find a cold place? A hot place? A place with tall buildings? A place with lots of animals?</p>	<p><b>Wednesday-</b> Splat the Letter- Write out the letters for the sounds your child has been practising on pieces of paper and spread out on the floor. Take it in turns to shout out a sound and both players have to try and splat the sound with their hand.</p>
<p><b>Thursday-</b> Use an atlas or a globe to find different places in the world. Can you find where we live? Can you find a country close by? Can you find a country far away? Can you find somewhere hot? Can you find somewhere cold?</p>	<p><b>Thursday-</b> Use your word list from Tuesday, can you practise reading these words. You might know some more now that you can add on. Can you get 10 in each column?</p>
<p><b>Friday-</b> Follow the story “When I Coloured in the World”, you can find it here <a href="https://safeyoutube.net/w/Rxi6">https://safeyoutube.net/w/Rxi6</a> What would your child change about the world? Ask them to draw a picture of their ideal world.</p>	<p><b>Friday-</b> Log your child into their Phonics Hero account and let them continue working through their phonics journey. Practising often allows them to make steady progress.</p>
Weekly Writing Tasks	Weekly Maths Tasks
<p><b>Monday-</b> Draw a picture of a landmark from this week’s book “Emily Jane’s Aeroplane”. Can you label it? Can you write a sentence about why you would like to visit?</p>	<p><b>Monday-</b> Ask your child to create a number line 1-10 with things from around the house i.e. 1 apple, 2 shoes, 3 teddies etc. Encourage them to travel back and forwards along the line saying the numbers as they go. Can they start from a number other than 1 or 10? Ask them to pick a number and then ask for one more or one less. For extra challenge, try doing numbers to 20!</p>
<p><b>Tuesday-</b> Ask your child about a place they have visited that they like. Can they write about why they liked the day? What did they do? Can they draw a picture to go with it!</p>	<p><b>Tuesday-</b> Use this game <a href="https://www.starfall.com/h/addsub/add-machine-1/?sn=math1--math0">https://www.starfall.com/h/addsub/add-machine-1/?sn=math1--math0</a> to practise adding within 10. Afterwards, try challenging your child to try adding two single digit numbers within 20.</p>
<p><b>Wednesday-</b> Think again about the place your child would like to visit, ask them what would they need to write in their suitcase to go on that adventure? Can they write a packing list?</p>	<p><b>Wednesday-</b> Use this game <a href="https://www.starfall.com/h/addsub/sub-machine-2/?t=297065001">https://www.starfall.com/h/addsub/sub-machine-2/?t=297065001</a> to practise subtraction within 20. Can they write an answer their own number sentences too?</p>

<p><b>Thursday-</b> Ask your child to think about a time they have been to the beach, maybe you have a photograph of them at the beach. Ask them to draw a picture and write about it. Encourage them to think and chat about; what they did there, who did they go with, and what was their favourite bit</p>	<p><b>Thursday-</b> Like on Monday, create a number line for numbers 1 - 10, but for the even numbers, use things that have to come in pairs i.e. socks, shoes, gloves etc. practising counting in even numbers i.e. 2, 4, ,6 , 8, 10. Can they spot a pattern when doing this? For extra challenge, try using numbers to 20!</p>
<p><b>Friday-</b> Read “Emma Jane’s Aeroplane” again, or another story with a destination. Ask your child to imagine they have been to visit the place; can they make and write a postcard about their adventure? They might even want to send it to me at school!</p>	<p><b>Friday-</b> Log your child into their Numbots account and let them continue working through their journey. Practising regularly will help them make steady progress.</p>

### TOPIC TASKS - To be completed through the week

**Our learning this week is based around the theme of ‘Around the world’. Here are some tasks to try.**

**Research**

Encourage your child to look at the food in your kitchen and find out what countries some of it comes from. You could search on a map for those countries. You might even want to have some of the food you have found for dinner - ask your child to create a menu for the meal like at a restaurant!

**Create**

Look at flags from around the world. Click here [flags from around the world](#) Discuss which are your child’s favourites and why? Ask your child to design and make their own flag. They might use craft materials, or objects from around the house.

**Build**

A bridge helps people move over obstacles like a river, a valley or a busy road. The world’s longest bridge is in China and is 164.8km long. It would take more than two days to walk the length of this bridge. Do you have any bridges near your home? What do they look like?

Try building a bridge out of paper, Lego or any other building materials you might have at home. Your bridge needs to be big enough for a toy car or small toy to travel over.

**Where in the World?**

Discuss with your child where your family comes from in the world. If you have them available, show your child photographs of where you, or their grandparents, grew up. This might be similar to where they live now or completely different. Encourage your child to think about the differences between the places.

### RE

There are many different religions followed and celebrated all over the world. Use the websites below to explore some of the teachings and traditions of these religions.

<https://www.bbc.co.uk/teach/class-clips-video/religions-of-the-world/zfxwpg8>

On Monday 29<sup>th</sup> June it is the feast day of St Peter and St Paul. You may want to use [this](#) resource with your family to celebrate these important saints and to learn about how they travelled all around the world to spread the Good News of Jesus.

## Additional learning resources parents may wish to engage with

The below are websites which are free or are offering free subscriptions during the period of school closures. Please use these when looking for additional learning opportunities. Don't forget to share your learning with us on [Twitter @StTeresasRCP](#).

**Classroom Secrets Learning Packs** - These packs are split into different year groups and include activities linked to reading, writing, maths and practical ideas you can do around the home.

**Phonics play** - There are lots of free phonics games and activities available here.

**Phonics hero** - Go to [www.phonicshero.com](http://www.phonicshero.com) and enter the log in details

**Number bots** - Go to <https://play.numbots.com/#/account/school-login/7451> and enter log in details

**Oxford owl free eBook library** - Lots of books to read together, with activities to do afterwards.

[www.imoves.com/the-imovement](http://www.imoves.com/the-imovement) - This website is full of quick blast and brain break activities.
