Learning Project - Around the World

Class - Year One

| Weekly Reading Tasks   | Weekly Phonics Tasks  |
|--|---|
| <p><b>Monday-</b> Read about the continents <a href="#">here</a> and complete the comprehension questions.</p>   | <p><b>Monday-</b> The word 'around' contains the sound 'ou'. Ask your child to list as many words as they can containing the 'ou' sound. Your child might identify words that contain an alternative spelling for 'ou' such as <b>ow</b>.</p>   |
| <p><b>Tuesday-</b> Read each of your spelling words, explain what they mean or look up what they mean <a href="#">here</a> and read it to a grown up.</p>  | <p><b>Tuesday-</b> Practise spelling days of the week using different materials in the house. Can they find materials to match the colours of the UK flag?</p>  |
| <p><b>Wednesday-</b> Ask your child to find out about one significant place. Can they read any tricky words? Why is this place important?</p>  | <p><b>Wednesday-</b> 'Where', 'would', 'people', 'clothes' and 'water' are some of the words that children in KS1 need to be able to spell. Can your child use these to write sentences about a contrasting country?</p>  |
| <p><b>Thursday-</b> Follow the story <a href="#">Here We Are</a> with your child. What makes our world so special? Using the story, your child can make a list.</p>  | <p><b>Thursday-</b> Recognise vowel and consonant digraphs and blending by playing <a href="#">this</a> game or add suffixes playing <a href="#">this game</a>.</p>   |
| <p><b>Friday-</b> Follow the story <a href="#">When I Coloured in the World</a>. What would your child change about the world? Task them with drawing a picture of their ideal world.</p>  | <p><b>Friday-</b> There are live phonics lessons on YouTube daily. <a href="#">Click here</a> to watch and join in.</p>   |
| Weekly Writing Tasks   | Weekly Maths Tasks - Subtraction  |
| <p><b>Monday-</b> Watch this <a href="#">clip</a>, what did you learn about Great Britain? Can you find Manchester on a map of England? How many places have you been to in Great Britain? Can you write a recount about what you did?</p> | <p><b>Monday-</b> Get your child to have a go at the online <a href="#">game</a> for subtraction facts up to 20.</p>  |
| <p><b>Tuesday-</b> Encourage your child to write each of their spelling words in a sentence. Don't forget capital letters and full stops.</p>  | <p><b>Tuesday-</b> Give your child a number between 1 and 50 and ask them to list how many ways they could make the number using subtraction. Try 20 if this is too hard.</p>   |
| <p><b>Wednesday-</b> Ask your child to create a leaflet about a place in the world they would like to visit/have visited. Include the weather, landmarks and cuisine.</p>  | <p><b>Wednesday-</b> Get your child to write a subtraction number bond to or within 10 - e.g. <math>9 - 4 = 5</math> or <math>7 - 2 = 5</math>. Can they use these facts to find out the subtraction facts up to 100? E.g. <math>90 - 40 = 50</math> and <math>70 - 20 = 50</math>.</p> |
| <p><b>Thursday-</b> Visit the Literacy Shed for this wonderful resource on <a href="#">The Black Hat</a> or your child could write their own version of <a href="#">When I Coloured in the World</a>.</p>                                  | <p><b>Thursday-</b> Encourage your child to practise different ways to subtract by playing these different <a href="#">activities</a>.</p>  |

**Friday-** Write a postcard from a place you have visited. Draw a picture for the front of the postcard too. What did you see and do while you were there? What did you eat? What was your favourite part of your trip?

**Friday (theme) -** Look at flags from around the world either in books or on the [internet](#). Ask your child to list any shapes they see and name the properties of the shapes they find. Ask your child how many lines of symmetry the flag has.

## TOPIC TASKS - To be completed through the week

Our learning this week is based around the theme of Around the World. Here are some tasks to try.

- Watch this [clip](#), what did you learn about Earth? Can you list the oceans and continents? Make a poster about how you can look after our planet.
- Use [Go Jettors](#) to learn about different continents. Then use your new knowledge and these [resources](#) for information to make your own project about one of the continents.
- **Flags-** Look at [flags from around the world](#) with your child. Discuss which are your child's favourites and why? Ask your child to recreate their favourite; this could be through drawing, collaging etc. Can they place the flag on a map? There are some quizzes that your child can have a go at [here](#). Can they create their own quiz about the UK?
- **Dance Around the World-** Watch the following dances: [Diwali Stick Dance](#), [Maypole Dancingg](#) and [Spanish Flamenco Dancingg](#). Encourage your child to have a go at some of the moves used in these videos. Record the dances and ask your child to evaluate what they did well and what they could do even better when watching them back. Can your child recreate one of the costumes using items from their wardrobe? Perform the dance to a family member.
- **Food Tasting Fun-** Find some different fruits from around the world. This could include: mangos, kiwis, pineapples, bananas. Encourage your child to try them and have a discussion about which ones they liked and which ones they did not like. Cut the fruits open and task your child with sketching the inside of each fruit. Remind them to look closely at the patterns and shapes.

## RE

There are many different religions followed and celebrated all over the world. Use the websites below to explore some of the teachings and traditions of these religions. You could create a poster/draw a picture to show what you have learnt or retell one of the stories you have learnt about.

### Additional learning resources parents may wish to engage with

The below are websites which are free or are offering free subscriptions during the period of school closures. Please use these when looking for additional learning opportunities.

**Classroom Secrets Learning Packs** - These packs are split into different year groups and include activities linked to reading, writing, maths and practical ideas you can do around the home.

**Twinkl** - to access these resources click on the link and sign up using your own email address and creating your own password. Use the offer code UKTWINKLHELPS.

**Phonics play** - There are lots of free phonics games and activities available here.

**Phonics hero** - Go to [www.phonicshero.com](http://www.phonicshero.com) and enter the log in details. **Remember, I can look at how well you are doing, so impress me!**

**Number bots** - Go to <https://play.numbots.com/#/account/school-login/7451> and enter log in details

**Oxford owl free eBook library** - Lots of books to read together, with activities to do afterwards.

**[www.imoves.com/the-imovement](http://www.imoves.com/the-imovement)** - This website is full of quick blast and brain break activities.
