Learning Project - Transport

Class - Year One

Weekly Reading Tasks	Weekly Phonics Tasks
<p>Monday- Watch, listen and read along with these clips about being safe on the road - Clip 1 clip 2 clip 3. Discuss with your child why road safety rules are so important and what happened to the characters from the clips.</p>	<p>Monday- Ask your child to make an A-Z list of transport vehicles they know. Thinkabout transport from the past and the present.</p>
<p>Tuesday- Listen to Hey! Get off our Train. Ask your child to order the events from the story using simple sentences, illustrations or both. Read Your child can draw pictures of a vehicle from the past and present. Label the parts of the vehicles and think about the different materials used.</p>	<p>Tuesday- Play a game using split digraphs: a-e, e-e, i-e, o-e, u-e. On a post it, write the split digraphs and ask your child to think of things for each split digraph. For example: plate , stone, flute .</p>
<p>Wednesday- Read each of your spelling words, explain what they mean or look up what they mean here and read it to a grown up.</p>	<p>Wednesday- Ask your child to spell the Common Exception words in a fun way using this online game, ‘Spooky Spelling’.</p>
<p>Thursday- Listen and then read along to the Naughty Bus. Look for different kinds of punctuation and discuss contracted words, e.g. don’t.</p>	<p>Thursday- Can your child list adjectives to describe past and present vehicles? Encourage them to use alliteration e.g. charging chariot, valuable van.</p>
<p>Friday- Make some masks for the characters in the story, ‘Whatever Next?’. Share the story with a family member at home or on Facetime.</p>	<p>Friday- Check Purple Mash for your ‘2Dos’ this week.</p>
Weekly Writing Tasks	Weekly Maths Tasks
<p>Monday- Ask your child to write a set of instructions on how to stay safe on the road. What do they need to do when crossing the road? Who can help cross a busy road? Include adverbs such as: carefully, slowly.</p>	<p>Monday- Capacity Select containers, this could be different sized glasses, jugs, bowls etc. Ask your child to predict which will hold the most/least water. Pour cups of water to see which holds the most/least. For objects that are similar in size, predict how much water it will hold and then use a measuring jug to read the capacity.</p>
<p>Tuesday- Task your child with writing a journey story in the role of a transport driver. This could be a pilot, a boat captain or an astronaut for example.</p>	<p>Tuesday- Shape Direct your child to create their own vehicle by drawing different 2D shapes to make it. They can be as creative as they want to be.</p>
<p>Wednesday- Encourage your child to write each of their spelling words in a sentence. Don’t forget capital letters and full stops.</p>	<p>Wednesday- Weight Ask your child to find a book. Can they find 3 items which are heavier than the book and 3 items which are lighter than the book?</p>
<p>Thursday- Can you think of more adventures for the Naughty Bus? Write and illustrate your own Naughty Bus story. Sound out all the words for yourself and don’t forget your capital letters and full stops.</p>	<p>Thursday- Data Handling Sit with your child and look outside a window for 5 minutes. Tally the different types of transport that passes by. Can your child record this information in a bar chart or pictogram with your help?</p>

Friday- Visit the Literacy Shed for this wonderful resource on [The Bridge](#) or your child can write a list poem about a boat, a train, a plane or even a submarine. E.g. Wooden tracks sleep, roaring wheels charge, smokey engines smoke.

Friday - Temperature Work with your child to measure the temperature of each room in your home using a thermometer (you can download a free one on most phones). Which room is the hottest/coldest? Discuss why this might be? Repeat the activity at a different time of the day, has the temperature changed? Why?

TOPIC TASKS - To be completed through the week

Our learning this week is based around the theme of Transport. Here are some tasks to try.

- **Transport Through Time!** -Support your child to create a timeline of transport from the past to the present. Find a selection of photographs and place them in the correct order. Take a look at these [online resources from the transport museum](#) and [these posters](#) to help you. Create a booklet about different forms of transport. Find out about the first aeroplanes. Who was the first person to fly in one? Who invented the first train? Look at pictures of the penny-farthing. Why do you think we don't ride them today? What makes racing bikes different from mountain bikes?
- **Moving Models** - With your child find some junk modelling around the house and support them make a model car that moves or use Lego. Test it out in the garden or during your daily walk. Does the car move faster or slower on a ramp? Why/why not?
- **Float your Boat!** - Using a variety of materials, work with your child to make boats out of junk e.g. wood, plastic, paper, polystyrene etc. Make a prediction about whether or not they will float and then test them to see which floats the longest. Can your child summarise why this boat floated for the longest?

RE

Donkeys were used as a way of transport during some Bible stories. Think back to the story of Mary travelling to Bethlehem just before baby was born - she travelled on a Donkey then. Or try to remember the story of Jesus on Palm Sunday - he entered Jerusalem on a donkey. Draw a picture of one of these stories.

Additional learning resources parents may wish to engage with

The below are websites which are free or are offering free subscriptions during the period of school closures. Please use these when looking for additional learning opportunities.

Classroom Secrets Learning Packs - These packs are split into different year groups and include activities linked to reading, writing, maths and practical ideas you can do around the home.

Twinkl - to access these resources click on the link and sign up using your own email address and creating your own password. Use the offer code UKTWINKLHELPS.

Phonics play - There are lots of free phonics games and activities available here.

Phonics hero - Go to www.phonicshero.com and enter the log in details. **Remember, I can look at how well you are doing, so impress me!**

Number bots - Go to <https://play.numbots.com/#/account/school-login/7451> and enter log in details

Oxford owl free eBook library - Lots of books to read together, with activities to do afterwards.

www.imoves.com/the-imovement - This website is full of quick blast and brain break activities.
