Register of Business Interests for School Governors

From 1 September 2015, governing bodies are under a duty to publish on their website their register of interest. The register should set out the relevant business interests of governors and details of any other educational establishments they govern. The register should also set out any relationships between governors and members of the school staff including spouses, partners and relatives.

Governor Name	Type of Governor	Start Date	End Date	Business Interests	Other Establishments Governed	Relationship with staff/ members of the Governing Body	Date
